**NOTIFICATION FOR EMPANELMENT OF GUEST TEACHERS
2023-24**

Eklavya Model Residential Schools (EMRS) have been established in Telangana State in the year 1997-98 to impart free quality education to ST children in remote areas in order to enable them to avail of opportunities in high and professional educational courses and get employment in various sectors. The schools focus not only on academic education but on the all-round development of the students. Each school has a capacity of 480 students, catering to students from Class VI to XII.

As EMRS are co-educational and fully residential schools located in rural areas, the teachers are required to perform responsibilities attached with residential system of schooling like House Mastership, remedial supervisory studies, organization of co-curricular activities, escorting of students & other official purposes and looking after students' welfare in general, in addition to normal teaching duties.

With a commitment to resolve the problem of non-availability of teachers, NESTS has formulated guidelines for engagement of Guest Teachers. Accordingly, it has been decided to fill up the vacancies of Teaching staff temporarily on outsourcing basis in the following (23) EMRS Schools functioning in Telangana State for the academic year 2023-24:
